

For Bigger Kids SUPERFAST-FIT New Generation Washrooms

"For Bigger Kids", they would probably want something different. After all, they are becoming grown ups. For them, it's our all new "Superfast-Fit" Adult Cubicle Range with four soft colour options that can be mix-or-matched to blend into any colour scheme. "Superfast-Fit" is robust and designed to take the knocks. Easy to install, the 'One-Size-Fits-All' will meet virtually all size requirements. Matching or contrasting coloured Vanity Units and Wall Panel Systems are available.

For Bigger Kids cubicles are available in four mix-or-match soft colours with matching edges:

Vanity Units are designed at heights and widths to suit all ages including children with special needs.

"Superfast-Fit" pedestal style support leg is robust with a silver powder coated finish.

Toodle-Loos

Range of Cubicles

The new generation Toodle-Loos range has been specially produced for children of all ages. Bright colours and happy styles of Tiny Tots, Kaleidoscope, Serendipity and Superfast-Fit present a relaxed, yet private environment for such occasions. Toodle-Loos incorporates new styles, ideas and features specially designed for children.

Installation could not be easier. Tiny Tots, Kaleidoscope, Serendipity and Superfast-Fit cubicles have been designed and produced as a 'One-Size-Fits-All' system. Simply trim the panels to width and depth required. The cut edge is covered by specially designed panel fixing channels with capped through fixings, no sharp edges, corners or trapped fingers.

Tiny Tots are not just cubicles, but lovable characters! We would like to introduce you to Miss Molly and Godfrey and their friends who can appear on the front of the cubicle just for fun.

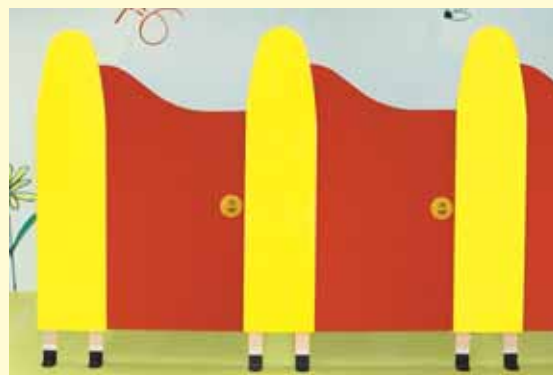

TINY TOTS

For small children

STYLE Washrooms

Something new for young children. Designed to be fun but private to use with self supporting panels and doors for that bright and spacious feeling. Tiny Tots cubicles are designed as a 'One-Size-Fits-All' system with no sharp edges, corners or trapped fingers. **For dry areas only.**

Standard Tiny-Tots Cubicles

Robust self-supporting Tiny-Tots feet.

"Tiny Tots", "Kaleidoscope" and "Serendipity" cubicles and hardware are available in three bright mix-or-match colours:

Standard panels available with matching edges only.

Pack 4 Toodle-Loos 1000mm vanity unit kit 3 kits joined together to form one long vanity unit

KALEIDOSCOPE

STYLE Washrooms

For Not-So-Small Children

Full height doors available

Standard Kaleidoscope cubicles with red shaped doors 1150mm high

A bright, colourful, and robust design produced specifically for children of all ages. Manufactured using high quality moisture resistant core, bonded both sides with high impact and abrasion resistant melamine, all exposed edges finished with 2mm PVC edging. Supplied as a 'One-Size-Fits-All', simply trim the partition to the length required, and trim the door to the width required. All cut edges concealed in full length channels.

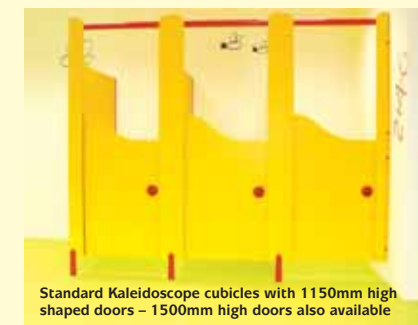

For dry areas only.

Robust Kaleidoscope Tube Headrail System

Hinge Channel with "No-Finger-Trap" Door Hinge

Kaleidoscope cubicles are supported using our robust pedestal type leg, with powder coated colour finish.

Standard Kaleidoscope cubicles with 1150mm high shaped doors - 1500mm high doors also available

'One-Size-Fits-All' doors and partitions meet virtually all size requirements within the design limitations, including children with special needs.

For Wet Areas

KALEIDOSCOPE SL

STYLE Washrooms

Available using 12mm Solid Grade Compact Laminate

Produced to the same Kaleidoscope style but manufactured using 12mm thickness black core solid grade compact laminate. Designed specifically for wet areas, or areas of high humidity and fluctuating temperatures. Factory manufactured to sizes required by the customer. All exposed edges radius for touch and effect. Kaleidoscope SL is installed using channel brackets instead of full length channels. All other hardware and fittings remain the same as Kaleidoscope.

Kaleidoscope SL is available as the Kaleidoscope style. Panel shape and size remain the same but produced using 12mm thickness black core solid grade compact laminate.

Just ask for what you would like and we will supply what you need to complete. For help or assistance when ordering, installing, and after, call 01425 615585.

Kaleidoscope SL 12mm solid grade compact laminate cubicles, low profile vanity unit and half height WC duct between cubicle partitions.

Serendipity

STYLE Washrooms

For Young Children

"Serendipity" style washrooms for young children. Flexible cubicle size, varying door height, and adaptability for difficult locations, "Serendipity" will brighten and bring colour to existing washrooms or new build. Designed specifically for children, "Serendipity" includes safety design features and no finger trap hinges.

Complete Washroom incorporating Cubicles, Wall Panel System, and Vanity Unit.

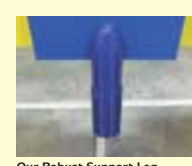

Vanity Unit produced to varying heights and with temperature controlled hot water mixer taps to suit children of all ages and children with special needs.

Smiley Face Disc Indicator Lock

Bolt Through Fixing with Coloured Cap

Our Robust Support Leg

Angle Headrail

Serendipity style washrooms, produced specifically for locations where quality and style is required, but at a competitive price. Designed as a mid range, available in the Toodle-Loos colours - red, yellow, and blue. Supplied as mix or match panels and hardware, Serendipity is a one-size-fits-all design - simply trim the partition to the length required and trim the door to the width required. All cut edges are concealed in full length channels. Headrail, channels and hardware are manufactured from aluminium epoxy powder coated paint finish.

Tiny Tots, Kaleidoscope, Serendipity and Superfast-Fit styles are available as cubicles only or as part of a complete washroom including toilet and shower cubicles, wall panel system, including IPS (integrated plumbing system) vanity units, light pelmets and fittings.

Tiny Tots, Serendipity, Kaleidoscope and Superfast-Fit washrooms have been specifically designed for children of all ages and include many features not available elsewhere. All materials used in the manufacture of Toodle-Loos are non-toxic and non-hazardous or harmful to children.
